

Create Review Section - Question List

Question List sections contain basic questions about the employee's overall performance with a rating scale. The questions are created by the administrator and do not rely on any other part of the performance functionality.

To create a performance review section, go to [Admin > Tools > Performance Management > Form Sections](#). Then, click the **Create Review Section** link.

Permissions

PERMISSION NAME	PERMISSION DESCRIPTION	CATEGORY
Performance Review Form Sections - Manage	Grants ability to create and manage performance review questions and sections which are used in performance review tasks. This permission can be constrained by OU and User's OU. This is an administrator permission.	Performance - Administration

Create and customize a performance review section to appear in any performance review. Determine whether this section will contain goals, competencies, or Rating Scale and/or text response questions from the Section Type drop down. Custom Fields may be added to any section, except Sign-Off sections. Rating Scale and/or Text Response questions may be added to sections containing goals and competencies. Suggested comments may be added to each Rating Scale question. Weights can be applied to each free form question. When entering the directions for this section, you may insert tags that are replaced with information about the employee reviewed or with links to that employee's performance data. To enable Automated Goal Ratings, open the Edit Rating Scale menu.
