

Learner Home - End User View Overview

The Learner Home serves as a learning hub which facilitates a seamless learning experience for users, allowing them to browse for and request relevant training, search and filter for specific training, and helps ensure compliance by helping you prioritize and take action on training you must complete. The Learner Home includes several features which enable learners to easily select subjects of interest, discover training based on machine learning, and quickly access and request new training.

To access Learner Home, go to: [Learning > Learner Home](#).
