## **Learning Search Preferences**

To access the Learning Search Preferences page, go to: Admin > Tools > Learning Preferences and click the Learning Search Preferences link.

Note: The permission for managing Learner Home Preferences also grants access to the Learning Search Preferences page.

## 

PERMISSION NAME	PERMISSION DESCRIPTION	CATEGORY
	Grants access to the Learner Home Preferences, where the administrator can configure the arrangement of content on Learner Home, as well as other settings. This permission also grants access to the Learning Search Preferences page, where the administrator can configure Learning Search options. This permission can be constrained by organizational unit (OU) and User's OU. This is an administrator permission.	Learning - Administration
