Learning Details Page

The Learning Details page features a modern, intuitive design which makes it easy for users to find key information about training items. The Learning Details page is also fully responsive, so users can interact with the Learning Details page on any mobile device.

To access the Learning Details page for a training item, the Learning Details page must firstly be supported and enabled via Learning Details Preferences. Then, users can access the Learning Details page by clicking the title of a training item from any of the following locations:

- Learner Home
- Learning Search
- Global Search
- · Browse for Training
