Evaluations Question Bank

A Question Bank is available for each evaluation level. The Question Bank is used to create questions and question categories. By default, when accessing the Question Bank, the Questions tab displays.

To access the Question Bank for evaluations, go to **Admin > Tools > Learning > Catalog Management > Evaluations**. Click the evaluation level from the left navigation panel. Then, click the **Question Bank** link.

🔒 Permissions

PERMISSION NAME	PERMISSION DESCRIPTION	CATEGORY

Level 1 Evaluation Question Bank

Use the search tool to search for words included in the questions. You can remove any questions which have not already been included in a test and you may inactivate any questions which should not be added to tests in the future. To remove a question from a test, you must edit the test that includes that question.
